RESPONSE

Sir:

The following comments are respectfully submitted in response to the Official Action mailed October 4, 2000, in connection with the above-identified patent application.

REMARKS

Reconsideration of this application in view of the following comments is respectfully requested.

In the aforementioned Office Action, claims 1-25 were rejected under 35 U.S.C. § 103(a) as being unpatentable over U.S. Patent No. 5,560,149 to *Lafevre*. In positing the rejection, the Examiner has contended that *Lafevre* discloses a window assembly 10 including a frame 12 and a movable sash 16. The frame includes a pair of jamb portions 28, a header 30 and a sill 32, and the sash includes a frame 40, a pair of side

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D.C. 20231 on January 9, 2001.
